Swift Cottage is a little gem! From the moment we arrived we were very pleasantly surprised. The cottage has everything you could need for your stay, even the 'little things', so that you don't have to worry about popping out constantly for things you've forgotten. The setting is very pretty, and the views are of the beautiful Devon countryside. The cottage itself is clean, warm and homely. The beds are comfy, and the family space is more than adequate for our family of 3. We loved coming 'home' to it every night that we were there! The pool and games room are clean and well equipped, and were a great bonus for my little girl. We spent our Christmas at Swift, and had a fantastic time. I would recommend it without hesitation (and already have told all my friends!) . Will definitely be using Swift again, and can't wait! !

What an excellent cottage, for a short break or longer you get great feeling of being safe with children and relaxation. Lovely location but close to shops day trips out. But best thing is where the cottage is situated you have everything for children to be happy and lots to do like - indoor swimming pool, Park, lots of space to play. OVERALL BLOODY BRILLIANT

Wonderful Week at Swift Cottage

June 2015

We stayed at Swift Cottage for the May half term. In our party there was myself, my 11 year old daughter, my mum and our 2 year old Cocker Spaniel. We thoroughly enjoyed our stay at Swift Cottage. It was like home from home and had everything that you could possibly need. The cottage was very comfortable and very clean. We had wonderful weather so we could go for some long walks along the country lanes. I would highly recommend Swift Cottage to anyone who wants a complete break away from it all. We will be certainly making a return visit to Swift Cottage!

Really enjoyed our stay in this lovely place. Jacquie the owner was especially helpful with all aspects of the stay from beginning to end. The barn was very comfortable and we enjoyed the use of the impressive pool. Hope to stay again in future- thanks so much

After returning from a four day break at Swift Cottage I am now fully relaxed and checking my diary to see when I can return. The cottage is extremely comfortable and has everything you could possibly need for a self-catering holiday and more. The bonus is the heated indoor pool and games room to keep all ages entertained whatever the weather !! Swift Cottage is located in a beautiful setting and ideal for families and all who want to retreat to a quiet area in the surrounding hills of South Hams but with the advantage of being within a 15 minute drive to the stunning Devon coastline with all its attractions. I will definitely return to this idyllic cottage and spend more time exploring this beautiful area including the nearby town of Totnes with its vibrant cafes, organic produce and an eclectic range of traditional and modern craft shops. Fun was had by all !

Lovely cottage that comes with everything you need.

Items like dishwasher tablets, kitchen roll, washing up liquid etc. were all provided - in fact everything in my resources box was not needed.

Cottage is in a rural location, down 1.5 miles of country lane.

Swimming pool (indoor) is 5 yards from the back door.

Downstairs bedroom with 2 single beds, and upstairs bedroom with a large bed. Both bedrooms have their own en-suite shower room and TV.

Nearest town is Totnes, with Newton Abbot, Torquay & Paignton easily accessible.

ONE OF THE BEST COTTAGES EVER!

From the moment we arrived I knew that we would enjoy our stay! We have been to many cottages in the past and have always wished that we had brought that extra thing with us, whether it be a sharp knife or a bin bag. This cottage has it all. The owner has literally thought of everything to make your stay as pleasant as possible. Our welcome pack was great and had everything that you would want to start you off. There is absolutely nothing negative that I can say and will definitely recommend you to anyone that is travelling down to Devon. Thank you so much!

BEAUTIFUL COTTAGE IN A TRANQUIL SETTING

This was my second vacation in Swift Cottage and again I was not disappointed. The cottage is extremely comfortable with everything you and the family could possibly require. On this visit the two en-suites had been totally refurbished to a very high specification and they were a delight to use.

The on site facilities of the heated indoor pool, games room and the external children's play area are all to a very high standard especially the pool and we all enjoyed these facilities especially when it rained for one day.

Swift cottage is situated in a complex of 9 holiday cottages, set in the hills of South Devon.

Completely safe for young children to play in a communal area with their friends.

You reach Swift Cottage via the Devon country lanes and when you arrive it is a haven of tranquility. We will be booking Swift Cottage again in 2015.

This was our second time at Swift Cottage and as expected it was as good as the first time. The cottage is very comfortable, well maintained and everything was provided with all the home comforts, ideal for a perfect self catering holiday.

The on site facilities of the heated swimming pool and games room (just 20 feet from the back

door of the cottage) are great, especially if it is raining! The external children's play area is well maintained and 100% safe. Fantastic views over the fields and so peaceful, just what we needed from the stresses of work.

The Coast was just a few miles away and the nearby towns with a variety of 'small' shops, are delightful. Plenty of restaurants/ cafes / pubs for all tastes. Try the boat trip from Totnes to Dartmouth, returning on the steam train to Paignton and then bus back to Totnes - a super day out.

Would we go back to Swift Cottage for another holiday - you bet we will!
